

# Seasons of Transition™

## PROFESSIONAL DEVELOPMENT

The **Seasons of Transition™ PROFESSIONAL DEVELOPMENT** program is designed to help educators and student-advocacy teams understand the key success factors and effective strategies for supporting military-connected students.

We offer a range of professional development **OPTIONS** to fit every learning style and budget, from one-hour virtual presentations to full-day facilitated events. **RESOURCES** range from free discussion guides to highly-customized training materials, moving along a continuum from introductory knowledge to a solid foundation to highly-skilled student-advocacy teams.
